- Mixing and Mastering techniques

Tasks you can do to prepare (3 tasks)

Task 1: You have £1000 to set up a home recording studio. Create a list of equipment that you need, a price, a link, and a justification as to why you need *that* piece of equipment, e.g.

Focusrite Scarlett 2i2	£158	https://www.thomann.de/intl/focusrite_scarlett_2i2_3rd_gen.htm	<i>This is necessary to record audio into the computer...</i>
------------------------	------	---	---

Task 2: Get Acquainted with Logic Pro X

Watch: <https://www.youtube.com/watch?v=qltWmZ0D4Jo>

Learn: <https://www.shortcutfoo.com/app/dojos/logic-pro-x-mac/cheatsheet>

Task 3: Keyboard and Music Theory Basics

Piano Basics - <https://www.youtube.com/watch?v=827jmswqnEA>

Theory Basics - <https://www.youtube.com/watch?v=n2z02J4fJwg>
