

# YOUR JOURNEY TO SUCCESS

## Speak to the School Liaison Team

Your first step in securing an Apprenticeship would be to contact the School Liaison Team.

They can offer you the advice and guidance you need to decide if an Apprenticeship is the ideal route into your chosen industry and a successful career.

**They can help you with:**

**Creating a CV | Identifying Skills | Preparing for Interviews | General Advice and Guidance**

**Our School Liaison Team have the expertise and experience to support you as you make crucial decisions on your future and take the first steps towards becoming a #futureboss.**

## Research your chosen Industry and look at suitable Employers

Your second step would be to research the industry that you are interested in, make sure that the qualification is suited to you and have a look at employers within your chosen industry to get a real understanding of the job roles.

You can have a look at different job vacancies to understand the role you may be doing in your Apprenticeship by visiting the below platforms:

## The Themis Recruitment Team

Once you have chosen the industry that you wish to embark on, you will meet the Themis recruiter for that specific area. Here you will have an interview, complete assessments and look at current vacancies.

You will work closely with this recruiter when looking for an employer; however you are also expected to be proactive in seeking your own employer as well. The Themis recruiter will keep you up to date on new vacancies that may arise, when your CV has been sent out to employers and notify you of any scheduled interviews.

**They can help you with:**

**Interview Skills | Job Preparation | Finding an Employer**

## Start your Apprenticeship

Your final step in securing an Apprenticeship would be to have completed a successful interview with an employer in your chosen industry and accept an offer from a company for the Apprenticeship.
