

T-LEVEL ENGINEERING

Please find below some information which will help you to prepare for the start of your course.

EQUIPMENT LIST

These are all items that you should bring along with you to College **every day**:

- College ID badge (to be worn at all times in college). You will receive this when you enrol.
- General stationery items which must also include:
 - Pencils to include 2B HB and 2H
 - 30 cm Ruler
 - Protractor
 - 45 Degree Set Square
 - 30 cm 30/60 degree set square
 - Scientific calculator (preferably Casio)
 - 8-inch compass
- Course Book onsite Engineering and Manufacturing T Level Core
Textbook ISBN 9781398360921
Digital Version ISBN9781398361058
- All students are required to purchase a PPE kit, this should be purchased online via Safety Warehouse.Co www.safetywarehouse.co/engineering-2024-634-c.asp
This link is available now for you to view the content and costs of the kit, but **please do not purchase your kit until you have enrolled on your course.**

The kit contains:

- Safety Boots (optional if you already own a pair)
- Polo Shirt
- Sweatshirt

PCs will be available at the College on enrolment day to order your kit online, you will need to bring a method of card payment with you to complete your order.

Please ensure the compulsory kit is purchased by **Friday 30 August 2024.**

- If you do not attend timetabled sessions in the correct clothing, including safety boots, you may not be able to participate in the session. This could ultimately jeopardise your achievement on the course.

If you have any concerns with the requirements, please see a member of the Engineering team as soon as possible.
